The write-up looks fine. Can you send me their e-mails and I will send the initiating e-mail?

Thanks.

Hello Ed,

I hope you are well. The year is flying by and it's time to start working on the fall TWG meeting!

Attached as an FYI is the meeting summary from last meeting, I have already cleared the appropriate sections through the various speakers, and unless you would like to review I plan to send the summary back to Alma at the end of this week.

**Our next step for planning the meeting is for us to host an executive board meeting with Mexico and Canada to decide on October dates, and to discuss any potential agenda .**

I drafted the below as a suggested e-mail for you to send to Peter and Amada based on dates Ann pulled for me from your calendar. Once this is scheduled, I will also work with Ann and Carla to schedule a pre-meet date for us.

Ann mentioned that you are going to be on leave at the end of June. Please let me know if you would rather we propose early July. I am hoping we can meet with the IWG in late July I think we can still do that if we need to push back this meeting.

Dear Amada and Peter,

Thank you again for all the work that was put in to a great meeting in March. I am e-mailing to set up some time for a mid/late June Executive Board meeting so that we can identify dates for October 2022, and begin narrowing down the topics for the agenda.

We are proposing:

**June 21 (TUE): 10-am, or 2 pm ET**

**June 24 (FRI): 2 pm, or 4 pm ET**

Please let me know if any of these times do not work, and I will have my scheduler send out an invite for a time that does.

Thank you,

**End Message**
